ROCKCLIFFE

Monday, October 26, 1987

Ted Reid looks up in anticipation as magician Michael Ross holds a glass of water upside down over his head. Ross was performing at Archie Stouffer School last Thursday and is part of the Ministry Outreach Program. He has been travelling to various libraries and schools throughout the province performing his magic.

Ride will be back

A pledge by Anson, Hindon and Minden Townships Council for improved support will likely bring thousands of motorcyclists back to Minden next summer for the fourth annual Ride For Sight.

In hopes of ensuring that the Ride For Sight will be back here again next year, council assured that there will be strong support at this end of the event. To help make this happen a committee was struck at Thursday's council meeting comprised of Parks and Recreation Superintendent Brian Sisson and council members Bern Berry and Verne Graham.

Rick Start, organizer of the huge event that has been staged in Minden for the past three years, was at Thursday's meeting to iron

out some of the difficulties experienced at last year's events. He said he would like to have the ride back in Minden but first wanted some commitment for more thorough planning and organization at this end.

Start told council that Sisson did a tremendous job in organizing things this year. However, he said the event is continuing to grow, making far too much work for one person to handle.

More than 3,500 bikes were registered in last summer's ride, and the event raised more than \$230,000 for the Retinitis Pigmentosa Foundation of Canada, said Start. The event brought more than 6,000 people into Minden on that weekend, and Start estimated that close to \$500,000 was spent in town during that time.

In spite of the obvious benefits to local businesses, (more on page 3)

One-way option to be considered

The possibility of limiting traffic to one direction on Orde Street is an option that Anson, Hindon and Minden Townships Council will be considering after hearing concerns from a group of Orde Street residents at last Thursday's council meeting.

In an effort to persuade council to keep the Orde Street entrance off Bobcaygeon Road open, a group of about 10 residents were on hand at Thursday's meeting. Reading from a prepared report on behalf of Concern-

ed Tax Payers on Orde Street, Gil Scott told council safety is the main concern of residents on the street. Closing the street at the Gull River Bridge would create many safety problems for the residents, he said.

In an effort to reduce traffic problems at the bridge, council has been looking into the possibility of closing access to Orde Street from Bobcaygeon Road. Presently, there are three intersections immediately adjacent to the bridge.

These are Orde, South Water and North Water Streets.

At Thursday's meeting, one resident of the street suggested an alternative solution might be to make Orde Street a one-way street. Reeve Sinc Nesbitt agreed that this option should be considered.

Some of the concerns expressed about closing the Orde Street access include increased response times for

(more on page 7)

Don Crowe honoured

Don Crowe, the operator of the Kawartha Dairy outlet in Minden, has been named Citizen Of The Year by the Rotary Club of Minden. The announcement of the selection and the presentation of the award was made at a special meeting of the club October 19.

This is the first year the club had honoured a citizen of the community in this manner. President Peter Bennett explained that the special award was created to recognize contributions by citizens of the area who have helped make ours a better community in which to live.

The president said he was very pleased with the selection of Don Crowe as the first recipient of this award. He noted that many of the contributions made by Mr. Crowe over the years have gone without recognition, often because the man did not seek or want publicity. "The Rotary Club of

Minden has often turned to Don Crowe for assistance, and we have never found our request gone unfilled," Peter Bennett commented. "In fact," the president continued, "Don is the sort of individual who provides more than requested when he recognizes a need. He exemplifies the type of individual we were seeking to honour by creating this annual award."

Past president of the Rotary Club, Al Coneybeare made the presentation to Don and his wife Opal. He told the members of the club and their wives gathered for the special evening that Don and Opal had been married for 27 years and have five children, all boys, Steve, Terry, Darryl, Robbie and Craig. Don is a native of Bobcaygeon, where the head office of Kawartha Dairy is located. Opal is a Minden native, the daughter of Raymond and Beulah

Hewitt.

Don has served as the president of the Kinsmen Club of Minden for two terms, in 1967-68 and again in 1972-73, and president of the K-40 Club for a single term. He was also elected Deputy Governor of the Kinsmen Club in 1977-78. In 1982, Don received the highest honour a member of the Kinsmen Club can receive when he was presented with a life membership in that organization.

Coneybeare told the meeting that Don was the type of individual who was always willing to assist. He noted that service clubs and community groups had often relied on Don and the generosity of his company for such things as portable freezers or coolers for special events, ice, ice cream, milk and other products

(more on page 2)

Minden arena officially opened last Monday with free public skating. Ice time for regular public skating is available every Sunday from 2 to 4 p.m.

Don and Opal Crowe share a laugh with Rotary Club Past President Al Coneybeare during the presentation of the Rotary Club of Minden Citizen of the Year award October 18.

Crowe named Citizen of the year

(from page 1)

offered as a donation, or well below the wholesale costs. He was always an avid supporter of community projects, taking an active part through his membership in the Kinsmen Club or in his participation at events

sponsored by other organizations.

The congratulations of local club members were repeated by Rotary District Governor John McNutt of Ennismore who was visiting the Minden club Monday evening. He said that from what he had heard that

evening, the first recipient of the award is more than deserving of the honour given him.

In addition to a plaque marking the occasion, the community's Citizen Of The Year was presented with a \$200 donation for the charity of his choice. Don

has chosen to direct the funds to the Cystic Fibrosis Foundation of Canada.

TRAINING PROGRAM

Computerized word processing and accounting clerk. This course is available to persons unemployed for 24 of the past 30 weeks with typing speed of 25 w.p.m. and Grade 12 or equivalent including Grade 12 accounting or comparable work experience. Training will be conducted in Bancroft by Loyalist College. Sponsored by the Bancroft and Haliburton Commercial Industrial Training Committee Inc.

This course will run fourteen 30 hour weeks. Make applications to Jane Selbie, Canada Employment Centre, Haliburton 457-1316

SSFC pays tribute to Sisco

In a tribute to "one of the most important leaders of the Ontario Community College System," the Sir Sandford Fleming College Haliburton campus was officially named the Norman A. Sisco Centre in a ceremony at the campus last Monday.

Close to 50 people gathered at the entrance to the Haliburton campus October 19 to commemorate the official naming of the campus. The new name recognizes the contributions of Norman Sisco, one of the province's foremost educators, and a driving force in the formation of the college system.

Sisco was also the first chairman of the Ontario Council of Regents, the first principal of Haliburton Highlands Secondary School and a resident of the county until his death a year ago.

"Haliburton was fortunate to have him (Sisco) among its leaders," said Rod Rork, interim president of the college. During the brief ceremonies, Rork called Sisco one of the most important leaders in the college system. He was one of many to praise Sisco during the afternoon ceremonies.

"We are honouring a great educator and ensuring progress in this part of the college," said Dick Gorwill, chairman of the college's Board of Governors.

Charles Pascal, Chairman of the Council of Regents and past president of SSFC, said Sisco is "the college system's spiritual leader." He said Sisco was a friend and mentor. "He was among the few who made a difference," Sisco was a founder who saw his dreams to reality, said Pascal.

Commenting on Sisco's involvement with the high school, former education

director Doug Hodgson noted the struggle for county-wide unity that he faced when the school opened in Haliburton.

Hodgson said Sisco had to combat the feuds created by people who wanted the school located elsewhere in

the county.

He had to bring the county together," said Hodgson. And before Sisco left five years later to work for the technology and trades branch of the Ministry of Education, "everyone in the county felt

it was their school."

Unveiling the plaque next to the entranceway, Alan Sisco told the gathering that Haliburton was always his father's first love. "I can't think of a more appropriate memorial than this," he said.

The late Norman A. Sisco was honoured last week in a ceremony officially naming the Haliburton Campus of Sir Sandford Fleming College after him. Shown here unveiling the plaque is Sisco's son Alan.

Ride is tradition in Minden

(from page 1)

Start said the community does not really get behind the event. He asked for assurance of solid organization here.

The success of the event over the past three years in Minden has made it attractive to other communities. Three years ago they had trouble finding a community to accommodate the ride, Start said. However, this year there are six other towns bidding on it.

Having the event in Minden has become a tradition, and Start said he would like to bring it back again.

Good choice

The Rotary Club of Minden has made an excellent choice in selecting its first Citizen of the Year, Don Crowe. His many contributions to the community are often done with little or no fanfare, although the groups of individuals he has assisted are keenly aware of his willingness to help.

The award presented by the Rotary Club helps to recognize the contribution Don Crowe has made to this community. We heartily endorse their choice.

Hallowe'en safety

On Saturday night, children dressed in all sorts of eerie costumes will take to the streets for the annual ritual of Hallowe'en trick-or-treating.

While this is a night of fun for both children and adults, it also poses a certain amount of danger, which can be avoided if special care is taken.

We urge drivers to keep in mind the fact that children are apt to be walking along the roadways. Although it is advised that children wear bright-coloured costumes, there are bound to be some costumes that will be hard to notice in the dark.

Drivers should ease up on the gas pedal and keep an eye out in all directions for the trick-or-treaters.

Parents are also urged to take care in checking through the various treats their children return home with. Although incidents of pins or razor blades tucked away in the treats are rare, it is a fact that this sort of lunacy still exists.

Let's make this Hallowe'en a safe and happy one for everyone in the county.

Windswept isle

letters letters

Editor:

I write to you about a very positive and effective aspect of our community life.

Last October at the Help A Village Effort Committee Variety Concert held in the Haliburton High School, I spoke to the audience about a Community-based Health Care Service which we had decided to support. At that time we were only at the very beginning of the job of

raising \$60,500 to provide the funding for the health plan for some of the poorest of the poor in Crissa State, India. It seemed we had a big job ahead of us, but nobody was pessimistic.

Now, twelve months later, at this year's concert on November 7th we shall report that we have less than \$1,000 to raise to complete our objective.

We thank all those whose gifts have made it possible to

achieve this fine result, and we are grateful to CIDA for matching the funds we raised.

Our report at the concert will be something of a celebration, and we hope that many people will be there to help us to complete the last stage of the funding. Your gifts will be gladly received either there, or directly from you to our treasurer, Mr. John Stouffer, Box 541, Haliburton.

We are pleased to tell you

that in addition to the usual fine vocal and instrumental music by excellent local artists, we shall have a presentation by a group of Tibetan dancers from Lindsay.

Here is something worth celebrating. Come and join us.

Legal humour makes thick-skinned lawyers

by Arthur Black

"Woe unto ye also, ye lawyers! for ye lade men with burdens grievous to be born, and ye yourselves touch not the burdens with one of your fingers."

— Luke 11:46

"The first thing we do, let's kill all the lawyers."

— Shakespeare

Poor lawyers. Somebody's always picking on them. They've been cussed out and dumped on since at least the days of the Old Testament, and though the planet itself may be mellowing, anti-lawyer sentiment is only increasing in virulence. It's a tough life - and what good is a Colorado condo, a six-figure income, 20-year old Scotch in the liquor cabinet and matching Lamborghinis in the driveway if you ain't got no respect?

Like hippopotami, lawyers have evolved a thick hide with which to absorb the slings and arrows of their overcharged and outraged clientele. Better than that - they've developed a sense of humour about their much-maligned profession. Nobody tells better jokes about lawyers than lawyers - and Peter V., MacDonald might very well be the best legal jokester in the business, if not the country.

Mister MacDonald is a lawyer who entered the profession by the back door. For the first years of his adult life he was a reporter and feature writer for various newspapers and magazines across the country.

Then in 1962 he swapped his inkstained sports jacket for a floor-length black robe, moving simultaneously up the income ladder and down the alphabet, from journalism to

jurisprudence.

But old habits die hard. The vestigial scribbler in MacDonald noticed two things about his new profession: number one, it was positively crawling with hilarious stories. Number two, no one appeared to be writing them down. Peter MacDonald started keeping a file on his courtroom colleagues. The result is now available between hardcovers in a tome entitled *Court Jesters*. (Methuen, \$19.95).

The book is an unqualified hoot.

MacDonald doesn't limit himself to barrister broadsides and solicitor snickers; he includes judge jokes and witness witticisms too. Such as the lady testifying somewhat nervously about her involvement in a barroom brawl.

"And were you kicked in the fracas?" the judge inquired.

"No your honour" replied the woman, "I was kicked about halfway between the fracas and the belly button."

Lawyers don't always come away winners in *Court Jesters*. Sometimes they look more like Ed McMahon - style straight men:

Lawyer: And have you ever appeared as a witness in a suit before?

Witness: Yes.

Lawyer: Please tell the jury what suit that was.

Witness: It was a blue suit with white collar and cuffs and white buttons all the way down the back.

On the other hand, MacDonald introduces the reader to some gentlemen of the bar that you'd give your eye teeth to have dinner with - the legendary James Patrick Nolan for instance. As a young man and a brand-new lawyer, "Paddy" Nolan emigrated from his native Dublin to Canada back in

the late 1800's. He fetched up in a frontier cowtown called Calgary, nailed up his shingle and proceeded to become the very foundation of western Canadian legal mythology - eccentric division.

Paddy was good - he and his silver tongue almost never lost a case. This was a fact that did not escape the attention of the cattle rustlers, horse thieves, gamblers, prostitutes and rounders of Calgary and environs who soon wore a path to Paddy's door. Indeed, Nolan was so good at getting horse thieves off that the Calgary Stockmans Association hired him as Special Prosecutor - just to get him on their side. Paddy tried for a year, but it just didn't feel right. He decided he felt better defending underdogs - even if they were crooks. He went back to working the other side of the fence.

Paddy didn't win all his cases, but even in defeat, his heart was as big as his tongue was fast. Once he faced the chore of writing to the British father of a young client who, despite Paddy's best efforts, had been executed for murder. How do you tell a man that his ne'er do well son has received his just desserts at the end of a hangman's rope?

Paddy Nolan wrestled with it for a few minutes, then suddenly his eyes lit up, he whipped out a pen, and wrote with a flourish:

"I regret that I have to inform you that your son met his death last Friday morning whilst taking part as a principal in an important public ceremony. Unhappily, the platform on which he was standing gave way. I have the honour to remain, sir, your most obliging servant, Patrick Nolan."

I've got a hunch that Shakespeare would have felt a lot better about lawyers if he had had a chance to buy a drink for Paddy Nolan.

What do you think about...

Making things happen

by Bill Kulas

Driving into a small town or city, many may have had their attention attracted by signs welcoming visitors to the community. On that same sign, in many instances, would be a list of the service clubs in that area.

Beside the name Rotary appears what looks like a wheel of some sort. Actually the Rotary symbol is that of a gear wheel and represents the industriousness, progress and the "Making Things Happen" aspect of the club. First founded in Chicago circa 1903 by a salesman named Paul Harris, the Rotary has grown to where there are now over 23,000 Rotary clubs in 161 countries around the world with over a million members.

Mr. Harris started the club with a number of other salesmen who would change their meeting places on a rotating basis, thus the name for the club "Rotary" evolved.

Rotary clubs are made up of a cross-section of individuals belonging to various trades and professions. First chartered in June of 1947, the Rotary club of Minden has had a constant membership of between 30 and 40 members each year, holding a weekly meeting at the Minden Community Centre. Community service is the club's primary concern.

For the past eight years, Minden Rotary has been quite involved with the Rotary Youth Exchange program through which a high school student is able to

attend school in a foreign country. The student is looked after by Rotary families in that country and in turn, a foreign student is hosted by Rotary families in Minden for a period of approximately one year.

Over the years the Rotary club has been a major contributor to the Minden arena and community centre, having originally spearheaded the drive for funds being raised to build the complex.

Not too long ago they donated a new x-ray machine to the Minden hospital as well as donating over twelve thousand dollars to the Haliburton hospital for the new chronic care facility. The Rotary club is always there to lend a helping hand to smaller groups and organizations to supplement their endeavours in order to put them over the top.

One of the non-community fund raising projects which is supported by all Rotary clubs in the world is "The Rotary Polio Plus Project." The objective of the Rotary clubs is to ensure that all the children of the world are immunized against polio and a number of other life-threatening diseases by the year 2001.

So when you readers out there are spending your money on a Rotary draw ticket, a summer carnival or at their weekly bingo, remember, you are helping them to help others.

Next week's column will feature the Kinsmen Club of Minden.

Volunteers were working late into the night last week preparing the ice surface at Minden Curling Club for the season's opening tonight. Shown here watering the rink are J.O. Jackson, left and Howard Scott.

Awards nominations being accepted

by Bill Scott, M.P.

Earlier this fall, I described the Celebration 88 program in this column. As I stated then, the objective is to give all Canadians the opportunity to participate in the Calgary Winter Olympics.

The award categories, given to selection committees, for "Celebration 88" Medals, in each participating community are:

1. Athlete - Choose one male and one female for their outstanding contribution to their sport and community;
2. Volunteer - Choose an individual for devoting his or her time to encouragement of fair play and sportsmanship and for bringing out the best in the athletes under his or her guidance;
3. Coach - Choose an individual for devoting his or her time to the encouragement of fair play and sportsmanship and for bringing out the best in the athletes under his or her guidance;
4. Official - Choose an individual for devoting his or her time to the promotion of fair play and sportsmanship;
5. Sponsor - Choose a business that has contributed monetarily, or with services in kind, toward the development of amateur sport in the community.

The "Celebration 88" certificates will be presented to those demonstrating an unselfish contribution to the community. This can be in any walk of life as long as it is for demonstrating the Olympic spirit.

Several communities have set up selection committees. They have a deadline of November 25 to supply these names to my office. If you wish to suggest a name for a medal or certificate to your local committee, ballots can be dropped off at the County Building, Minden.

This drop off point will pass your ballots on to their local committee or, if you wish, you may send them to my constituency office at 2 King Street, Lindsay and I will make sure they are passed on.

Your ballot, to be considered for a medal or certificate by your selection committee, should give the name of your nominee, his or her full address and telephone number along with the reason you think they deserve the award. Also, list your own name, address and telephone number.

New responsibilities

by John Eakins, M.P.P.

As many of you will be aware by now, I was recently assigned new responsibilities by Premier David Peterson, and I have been appointed Minister of Municipal Affairs.

Serving as your representative in the provincial legislature is a responsibility I have always taken seriously. As your MPP, I have to earn your respect and trust every

day.

Similarly, I was honoured in 1985 when the Premier asked me to join him in cabinet as the Minister of Tourism and Recreation. During the past two years, my staff and I worked hard to give the tourism, recreation and hospitality industries a greater profile - and I think we enjoyed some success in that regard.

It was an interesting two years meeting people

throughout Ontario who believe, as I do, that the tourism and recreation industries are two of the most exciting areas of growth in Canada today. The portfolio was particularly an exciting one for me because of the number of enthusiastic people in Victoria - Haliburton who are actively involved in recreation and tourism. Now I have been asked by the Premier to take on a new challenge, and it is one I certainly look forward to.

The Ministry of Municipal Affairs is a large department working co-operatively with over 800 municipalities across Ontario to improve the quality of life in our communities.

While I will be devoting a great deal of time to my cabinet responsibilities, as always, my first priority will be to serve the people of Haliburton and Victoria Counties.

A great many exciting initiatives are taking place in our riding and I am confident the prosperity we are enjoying in many areas will continue.

Finally, I would like to pass on a reminder from my colleague Ed Fulton, Minister of Transportation. The Minister advises me that if you're planning to give personalized licence plates as Christmas gifts, it's best to order now.

Personalized licence plates were a popular gift last Christmas, but the plates take six to eight weeks for delivery so you should order early if you want a set ready for the holiday.

Rotary District 701 Governor John McNutt of Ennismore, left, was the guest of honour at a recent meeting of the Minden Club. During his visit, he had an opportunity to meet with exchange student Thierry Mignon of Belgium, right and club president Peter Bennett.

Flanked by Deacon Robert Ferguson and Our Lady of Fatima parish priest Fr. Clarke Hudson, Bishop James Doyle officiated at the dedication of the church's new addition and redecoration.

Church addition is dedicated

Members of the congregation of Our Lady of Fatima Roman Catholic Church in Minden celebrated the dedication of the new addition and redecoration of their church Thursday evening. Bishop James Doyle of Peterborough was on hand to officiate at the service, along with a number of priests from the diocese and former priests serving the Minden parish.

The dedication marked the culmination of several years of planning, fund raising and construction which saw the addition of a parish hall to the north side of the existing structure. The addition is divided from the main church by a series of sliding glass doors that can be moved aside to seat the large crowds which attend during the summer months.

The new structure also

includes a kitchen and washrooms, providing facilities for a variety of church activities not possible before.

Bishop Doyle offered his congratulations to the members of the congregation on the completion of the addition and renovations. "The building provides a place for your parish family," he told the congregation. The Bishop also challenged the members of the parish to extend their church and the Christian values beyond the building itself. Noting that priests can provide guidance and instruction in God's word within the walls of the church, it was the lay people, through their examples and lifestyle, who can most easily carry these values to other members of the community in which they

live. "Your ministry is your life," the Bishop said. "this church will help to equip you to fulfill this call."

Joining the Bishop in the celebration of the Eucharist were Fathers Gary Leahy, Charles Kay, Don Kroach, Ted Porzuczek, Ray Hefferman and parish priest Clarke Hudson.

Father Hudson paid tribute to the many members of the congrega-

tion who assisted in the completion of the addition and the church's renovations. He noted that many individuals, from both inside and outside the congregation added to the success of the project.

Following the service marking the dedication, those in attendance enjoyed a social hour in the newly constructed parish hall.

FCP plans for future

Although the Family Coalition Party won no seats in the Ontario provincial election, the party's results represent a "respectable beginning," and preparations have already begun for the next election.

Diane Roblin-Lee, who represents the party in

Victoria - Haliburton, said a planning strategy meeting was held recently in Toronto, and the party is looking to a full convention next September. She said the party's goal is to field a full slate of candidates in the next election.

In terms of popular

support, the FCP finished in fourth place behind the Tories. And although the support was not enough to earn the party a seat, Roblin-Lee said it was a respectable beginning.

"It shows there is a need for the party," she said, noting that the NDP

struggled for years before earning the support the FCP received in its first election. The FCP received its charter just two weeks prior to the election call, leaving it little time to mount a campaign. However, with the next election years in the future, the party is planning to be on better footing for the next outing.

Locally, the party is planning a fundraising banquet for Nov. 12 at the Olympia Restaurant in Lindsay. Roblin-Lee said the event will also be an appreciation night for the workers who helped in the campaign.

Council addresses concerns

(from page 1)

ambulance and fire vehicles, access for school buses, police surveillance, and pedestrian traffic over snow banks in the winter.

However, all of these concerns were addressed at the meeting, as Deputy Reeve Bern Berry had asked for comments from the ambulance service, roads department and fire department.

Roads Superintendent Clayton Cameron assured the residents that a walkway would be maintained at that end of the street during the winter months. He said that if the road was closed, posts would be installed to keep cars out, but

pedestrians would still be able to walk through. Regarding concerns that snowplowing would result in a build up at the dead end, he said a path would be kept clear.

While response times for the ambulance and fire department would increase, the difference is negligible, the residents were told. Both Fire Chief Don Booth and Ambulance Supervisor Rob Luke said it would take less than a minute extra time if they had to gain access from Deep Bay Road.

Berry, a former police officer, noted that any speeding problems on the street would be reduced if the access was closed off. He also told the residents that school buses would continue

to pick up students on the street and would be able to turn around in a driveway.

Reeve Sinc Nesbitt told the residents that councils have been trying to solve the traffic problem for more than 30 years. He said it should have been the county's responsibility to close the access in the first place.

Now that reconstruction work is underway on Bobcaygeon Road, Nesbitt would like to see traffic conditions on the bridge made safe. "We've got the road, we've got the money for the road, we're sure going to try and make it safe." He said there are two ways of accomplishing this, block the road off or make it one way.

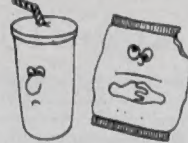

letters

Editor:

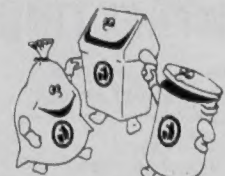

Uncle Sammy plays his card,
Faithful to ambition,
And so he does in this regard
Conjure an apparition.
The finger points strategic
In mimic of alarm
In "calculate" to turn a trick,
Yes, simply to disarm.
Our fearful eyes gaze to the North
Where ghosts in image rise,
While bound'ries crumbling to the South
Point where the danger lies.
Oh Trudeau, Man, just where art thou?
We need you now, and how!

Charges completed in window-breaking spree

Police have completed laying charges following a window breaking spree in downtown Minden on September 18. The police have charged one man arrested shortly after the incident took place and have laid charges against a second individual who eluded the police that night, but who later surrendered to police.

Police have charged Barry Bondarchuk, 27 of Toronto with assaulting a police officer, assault causing bodily harm, and three counts of mischief. The charges follow a series of incidents in which the display windows at Cox's Apparel, Little Rascals and Teens and the Dominion Hotel were broken. Damage was estimated at \$8,900. The incident occurred following an assault on Dominion Hotel manager Brian McKenny. The assault on the police officer, Barry Connelly, occurred when the police officer attempted to arrest the accused and his companion Daniel Heppell, 26 of Thornhill. While Connelly was attempting to subdue Heppell, Bondarchuk allegedly attacked the police officer with a long staff. Heppell subsequently

fled the scene.

Heppell turned himself in to police October 19. He has been charged with escaping lawful custody, driving while his licence was under suspension and failing to stop his vehicle when signalled to do so by a police officer. The latter charge carries a further three year suspension of driving privileges upon conviction.

Both individuals have been released on their own recognizance. Bondarchuk is scheduled to appear in court November 4 while Heppell is scheduled to appear December 2.

Injured

A Minden are resident sustained a severe fracture of his right leg in a motorcycle/automobile collision October 18.

Todd Manser was driving his motorcycle on Highway 507 north of Peterborough when a vehicle driven by Timothy Koskinen of Uxbridge pulled on to the highway from the Curve Lake Road. Manser's motorcycle struck the front bumper of the vehicle. The mishap occurred at 10:30 p.m.

Manser was taken to St.

Joseph's Hospital in Peterborough where he is currently being treated for the injury.

Car recovered

Charges of possession of stolen property valued at more than \$1000 have been laid against four Toronto individuals after the car in which they were driving was stopped on a speeding violation.

The 1983 Omega was stopped on Highway 121 after the vehicle was observed exceeding the speed limit. A subsequent inquiry by the OPP officer revealed that the vehicle had been stolen from the Toronto area.

Charged in the case are

Benjamin Vaughan 18, Heather Marie Bilow 21, Michael Vaughan 19 and a young offender.

The matter is being investigated by Constable Ken Wesley.

Stolen property

The following items were reported stolen in the county during the latest reporting period:

- from the Buckhorn Road area, a 14 inch McCulloch chainsaw, a 12 inch McCulloch chainsaw, both yellow and black and a two gallon red plastic gas container.

- from Lees Road in Monmouth Township, a 12 foot Springbok aluminum boat with red trim, a blue

and white paddle boat and a green Lawn Boy lawn mower.

- from Harcourt Park, a

9.9 h.p. Johnson outboard motor and five gallon gas tank.

Store caters to artists and hobbyists

Artists and hobby enthusiasts seeking a source for supplies will not have a new local store to turn to with the opening of Hobbies 'n Stuff Saturday in Minden. The business is one of a number of new enterprises opened recently in the community.

The store is operated by Larry Cummins, with the assistance of Debbie Hilkers. The new outlet is located on Peck Street in the former Linda Brandon Insurance office, next to The Cobbler.

Hobbies 'n Stuff will

attempt to cater to the needs of local artists. Cummins said prior to the opening Saturday. At the moment the stock includes an excellent selection of paints, including oil based and water colours, as well as canvases. The shop will also be carrying supplies for stained glass artisans. Cummins stressed that he hopes to be able to meet the needs of area artists and will endeavour to stock material that is in demand in the area. "We want to hear from artists in all fields to see how

we can serve them best," he commented. He also said the store will be aiming to match the prices paid for supplies in the city. "If we can match the city prices, we've already saved the artist money and time by eliminating the trip," he said.

In addition to supplies for

the artist, the store also caters to the hobbyist. At this time of the year, the store has an interesting supply of decorative items for Christmas. The items are those which can be used to create colourful imaginative Christmas decorations.

The store also features

toys by Playmobil, a manufacturer of a sturdy line of plastic figures and play sets which children can construct and manipulate with ease. Also in stock are plastic models and the material needed to complete the scale model reproductions. The models include

everything from the popular hot rod, to an intricate reproduction of an aircraft carrier. The store even has a model of the spacecraft Columbia, which, when constructed, can be launched with special propellant canisters.

Preparing for the opening of Hobbies 'n Stuff, owner Larry Cummins and assistant Debbie Hilkers set stock on shelves.

outdoors

For many people, an interest in wildlife begins with watching, from the warmth of the house, the birds which are attracted to a winter feeder in their garden. If you enjoy these winter visitors, now is the time to prepare for them. A roofed platform mounted on a squirrel-proofed pole makes a good main feeder. A cone of sheet metal, wide end down, will prevent squirrels from cleaning out the feeder. Be sure to set the feeder away from tall trees and shrubs so that these persistent and resourceful thieves can't leap onto the platform. Never underestimate the athletic prowess of a squirrel in search of a favourite food.

For stocking the feeder the following mixture is recommended: 25% hemp, 25% millet, 25% sunflower seeds, 10% buckwheat, 10% peanut hearts and 5% grit. This last, either coarse white sand or fine gravel, is essential for the bird's digestive process. This mixture will please most of the common winter birds like house finches, blue jays, mourning doves, chickadees, nuthatches and cardinals. Notice that the recommended mixture does not contain corn which often makes up the bulk of commercial mixes. In my experience, where there is corn there are starlings. The fewer of these clever bullies you have around a winter feeder the better.

As well as a platform feeder, I usually hang several cylindrical feeders. One of these feeders is a sunflower feeder without a catch tray underneath. The flocks of goldfinches and pine siskins, which arrive after the first heavy snowfall, knock out three seeds for every one they eat. This overflow is enough for most squirrels. Occasionally, though, a real troublemaker comes along, like the squirrel which spent a long time studying the feeder from every angle before deciding to leap right down on the protective cone. After

tobogganing down the metal several times and hitting the ground with a thump, he discovered a rough edge which allowed him to cling upside down long enough to grasp the feeder and dump seeds onto the ground. A little smoothing and a coat of oil on the metal put an end to his game.

My other cylindrical feeder is specially designed for small seed like niger. The visits of small birds like redpolls and siskins will reward you for this extra indulgence.

Since the diet of many birds like chickadees and downy woodpeckers normally includes many insects, they relish a source of fat, especially in severe weather. Make sure it is beef fat not pork. Fat can be melted down and then formed into balls containing little treats like raisins, uncooked (not instant) oatmeal, and bits of nut. The best way to hang the fat is in some kind of mesh container, for instance, a nylon mesh bag that once contained onions. That way the large birds like the jays cannot make off with the whole lot before the small birds get any.

Once you are hooked on the backyard comings and goings, you may wish to set up a safe feeding place for the ground feeders like the mourning dove, the cardinal and the white-throated sparrow. A pile of evergreen boughs will provide a safe haven where you may scatter millet and sunflower seed or seed heads of common wild flowers like mullein and evening primrose. Make sure the pile is near thick shrubs or evergreens so that the birds have an escape route if the neighbouring cat is on the prowl.

Remember that once you have started a successful feeding station you have committed yourself until the hard times are over in late April, or you condemn some of your visitors to death. At first they will come to your feeder in two's and three's and only for brief visits. But

as soon as the storms come they will flock to the feeder several times a day. Tiny mites like the chickadee and red-breasted nuthatch can withstand severe cold as long as their little furnaces are kept well stocked.

Regular visitors like chickadees and pine siskins are remarkably trusting of human beings. The first time a chickadee lights on your shoulder or perches on the

side of your hand in order to take a seed from your palm, you will feel like St. Francis of Assisi. Thoreau in *Walden* speaks of his experience with a sparrow: "I once

had a sparrow light on my shoulder for a moment while I was howling in a village garden and I felt more distinguished by the circumstance than I should have been by any epaulets I could have worn."

If you are hooked on birds, come if you can to Harbourfront on November 8. The Federation of Ontario Naturalists is sponsoring *Introduction to Birdwatching* a free information day about birdwatching, bird feeding, bird houses and landscaping to attract birds. The program runs from 11 a.m. to 5 p.m.

Acid rain report

The following is a report on precipitation gathered at the Ministry of Environment Acid Rain Testing Station in Dorset as compiled by Environment Canada. There were three precipitation events recorded during the latest reporting period.

- October 11, 1 mm of rain, pH 4.1, from Lake Superior and Lake Huron.

- October 12, 2 mm of rain, pH 4.2, from Lake Superior and Lake Huron.

- October 12, 2 mm of rain, pH 4.2, from Lake Superior and Lake Huron.

- October 17, 14 mm of rain, pH 4.3, from Kentucky, Ohio and southern Ontario.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Men's recreational season opens

Hockey season opened last week at the Minden arena as the men's recreational league took to the ice Monday for the first games of a 15-week schedule.

In the first game, Halls downed Hartwick by a 6-2 margin. The Rockcliffe edged Home Hardware 13-10 in the second game, and The Times upset Vasey Insurance 17-5 in the final match.

Halls 6, Hartwick 2

Halls opened strong in the first period of their game against Hartwick, taking a 3-0 lead on goals by Kim Colliss, Tom Haley and John Barkwell. Assisting on these goals were Rod Finlay, Craig Anderson and Dave Rogers.

Hartwick finally made the scoreboard early in the second frame on a goal by Royce Miller, which proved to be the lone goal of the period.

Halls scored twice more in the third before Hartwick notched its second goal of the game. Halls goals were scored by John Barkwell and Tim George with Tom Haley assisting on both. Hartwick's goal was scored by Lee Bull. Tim George put the final touches to Halls' 6-2 win with an assist from John Barkwell.

Rockcliffe 13, Home 10
Despite an early 5-0

Rockcliffe lead, Home Hardware fought back in the second and third periods to make this game a real contest. However, Rockcliffe rallied with five more goals in the late going to earn the win.

Rockcliffe goals came from Jim Winn (2), Lawrence Lougheed (2), Bernie Upton (3), Merv Mintz, and Al Cunningham (5).

Home Hardware goals were scored by Scott Hamilton (5), Gary Nelson, Ben Manuge (3), and Paul Walker.

The Times 17, Vasey 5

Although Vasey Insurance took an early two-goal lead, The Times came back with 10 unanswered goals before the end of the second period to mount an impressive lead. Vasey scored three more times in the final frame, but The Times added seven of their own to the tally.

Scoring for Vasey were Jerry Campbell (2), Ed Gibbons, and Norm Berry (2).

The Times goals were scored by Jeff Howe (3), Sid MacKeigan (7), Andy Campbell (2), Ken Berry (4), and John McAdam.

The men's recreational league plays every Monday night. Game times are 7 p.m., 8:30 p.m. and 10 p.m.

Minden Men's Recreational Hockey League took to the ice for the first games of the schedule last Monday. Shown here Jerry Campbell of Vasey Real Estate team evades a Times attacker. Vasey was downed 17-5 in the game.

Hallowe'en safety

Creating unique costumes, trick-or-treating, and, of course eating all those treats, make Hallowe'en one of the most delightful holidays for the year for children.

To ensure that the festivities do not turn into a disaster, the Ontario Safety League offers the following safety tips:

Wear a light-coloured costume. Pedestrians are more visible in light coloured clothes. Retro-reflective tape is available commercially and should be added to clothing to heighten visibility. Note that retro-reflective is different from fluorescent. Fluorescent colours are effective only in daylight; retro-reflective items are designed for nighttime use and will "glow" when car lights shine on them. Look for flame-resistant labels on ready-made costumes or material to be used for costumes.

Make-up is better than a mask. Masks can obscure vision. Make-up is more fun and creative.

Wear a short costume so you don't trip. Costumes should be designed so that children can walk easily without entangling their feet or tripping. Comfortable, well-fitting shoes are a must. Also, no bike-riding - costumes can get caught in the spokes.

Use a flashlight to light your way. A flashlight can help children see and be seen more clearly.

Trick-or-treat on one side of the street, then the other side. Avoid criss-crossing the street, even in quiet neighbourhoods. Always walk on the sidewalk. If there are no sidewalks, walk on the left side of the road facing traffic.

Go out with parents or friends. Basic safety precautions are needed even on Hallowe'en. Younger children should be accompanied by a responsible adult. Older children should go out in groups.

Discuss your plans with your parents. Parents and children should map out a route for trick-or-treating and set a time limit.

Never go inside a strange house, apartment or car. Children should trick-or-treat only at homes included on the plan agreed to by their parents. Avoid poorly lit homes.

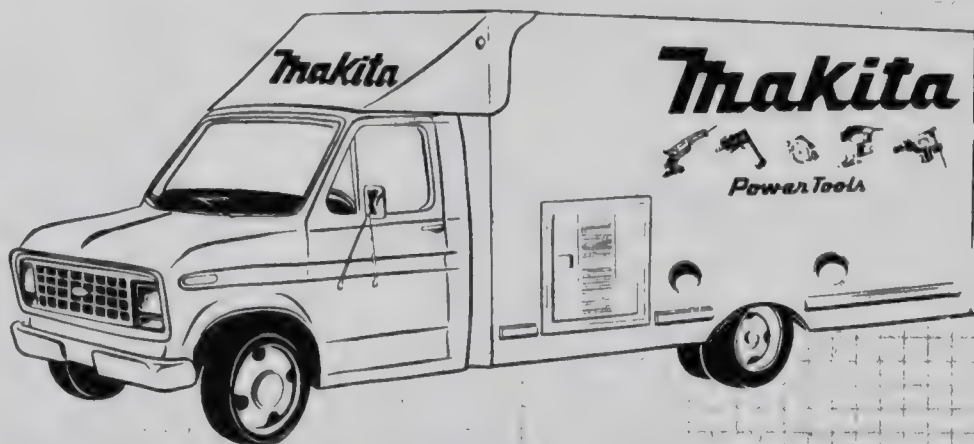

Have a parent check your treats. Treats must not be eaten until they are checked by a parent. Discard unwrapped or loosely wrapped items. Give children a meal or a snack before they go out so they won't be tempted to eat before they get home.

Lutterworth council briefs

The following are items from the October 15 meeting of Lutterworth Township Council.

Insurance

Council will be reviewing its insurance package for consideration at the next regular meeting.

Robert Cowan and Don Hall attended the October 15 meeting to brief council on the insurance package that has been prepared for the township. During the briefing, council questioned a number of items, which Cowan said he would look into.

The price quoted for insurance is \$9,913, up from \$9,603 last year. However, there may be some price adjustments once Cowan checks on the matters raised at the meeting.

Access road

Council had no objections to a proposal by Graham Bayly to develop an access road from the Devil's Lake parking lot across Crown land to his property.

Bayly told council that he already has approval from the Ministry of Natural Resources for the 700-yard roadway. Because a culvert will have to be installed where the road leaves the parking lot, council asked that the contractor sign a hold harmless agreement with the township.

Shoreline development

Council had no objections to a proposal by Paul Heffer to remove rocks from his shoreline at Lot 14, Concession 12.

Heffer said he wants to improve the swimming and boating access on the rocky

shoreline. He said he already has MNR approval.

Guard rails

Council will be contacting the Ministry of Transportation and Communications after it supported a request from a Davis Lake Road resident for a walkway through a recently-installed guardrail.

William Stead approached council asking for a two-to-three-foot opening in the guardrail across from his cottage. Stead said his wife and father have difficulty climbing the guardrail when they are going down to the lake. He said easy access to the lake is very important to him, and offered to pay a share of the estimated \$890 it would cost to make the opening.

Council felt that the

installation of the guardrail without leaving an opening was just an oversight. However, they agreed that the MTC should be contacted.

Sand and salt tenders

Council voted to purchase 1,000 cubic yards of sand from Bedard Sand and Gravel in Fenelon Falls for the price of \$4.50 per cubic yard. The only other tender received came in at \$5.50 per cubic yard.

Council also voted to purchase its road salt from Canadian Salt Ltd. at a price of \$33.97 per tonne. Although a written tender had not been received from Windsor Salt, they had quoted a price of \$42.55 over the phone.

Enforcement officer

Two applications were received for the position of township bylaw enforcement officer to replace Doug Hirstwood.

Reeve Bill Valentine and Councillor Elizabeth Wright will be reviewing the applications and make a

recommendation to council.

The deadline for applications was October 15, and the new employee was to start in two weeks from that date. Hirstwood told

council that he is resigning because there is no longer enough work involved in the position to justify a full-time employee. The new employee will work on a part-time basis.

The wedding of Linda Mei Auyinh and Khai Phan took place Saturday, September 5 in Toronto. Mr. Phan is a former resident of Minden who was welcomed to the community in 1979 when he was among five Vietnamese who had escaped their home country. Two years later he moved to Toronto where he met Linda, also a refugee from Vietnam. The couple will reside in Toronto where Khai is employed in the automobile industry and Linda is attending the University of Toronto studying Business.

Law Society chairman to speak at Chamber meeting

Kevin Carroll, Chairman of the Law Society on No-Fault Insurance, will be the guest speaker at the annual meeting of the Haliburton Highlands Chamber of Commerce Wednesday evening at the PineStone Inn.

The prospect of no-fault insurance has been widely discussed in recent months, and Chamber manager Shirley Rapson says it is one that should be of interest to anyone who drives a car.

Wednesday's meeting will also provide an opportunity to update members and the community of what has been happening at the Chamber over the past year. "I would encourage all members, as well as the community at large, to come and find out what's happening here," said Rapson.

Haliburton County has enjoyed a very busy summer, which is a tribute to the Chamber's promotion of the area. At Wednesday's meeting, a report by the

Chamber's board of directors will be provided, along with an audited financial statement. Rapson said members will be pleased to hear the "good news" about the Chamber's improved financial status.

A new slate of officers for the Chamber will be forwarded by the nominating committee, and there will be an opportunity for further nominations at the meeting.

One of the highlights of the annual meeting is the

naming of the Highlander of the Year. Rapson says this is a great opportunity to acknowledge the amount of volunteer work being done throughout the County. "It's the volunteer that keeps things hopping," she said. Last year's Highlander of the Year was Earl Cooper, pipe major of the Legion band.

The meeting begins with cocktails at the PineStone Inn at 6 p.m. Dinner is served at 7 p.m.

The War Amputations of Canada presents:

THE NAKISKA KIDS

In a new film called *The Nakiska Kids*, 17 members of The War Amps Child Amputee (CHAMP) Program challenge the slopes of Nakiska - site for the alpine events at the 1988 Winter Olympics.

Chris, born missing his arms and legs, has always wanted to ski like Karl. At Nakiska, his dream comes true, thanks to your support of the CHAMP Program.

The Nakiska Kids is available on loan, free of charge, by contacting the address below:

Champ Chris Koch with War Amps Chief Executive Officer Cliff Chadderton and Karl Hiltzinger, double-leg amputee and well-known as the "silver-suited" skier in our T.V. messages.

The War Amputations of Canada, National Headquarters,
2827 Riverside Drive, Ottawa, Ontario K1V 0C4.

The War Amputations of Canada is a registered charitable organization operated by amputees for amputees on a non-profit basis. The War Amps does not receive government funds. Should you wish further information, please do not hesitate to contact us. Stanhope history could be told

Stanhope Township will be applying for a grant from the Ministry of Citizenship and Culture to enable Barbara Nangle to write a book on the township's history.

At last Wednesday's council meeting Nangle said she hopes to interview seniors in the township to compile interesting information on the township's history. She also plans to do a good deal of research to back up the interviews with facts.

She told council that she does not know how the book will come together until the interviews are completed. However, she stressed that it will be more than a reference book of dates and facts.

It will be more than a reference book but not just a pretty story, she said. She

hopes the interviews with the township's living pioneers will add some

colour to the book and make it more readable. Although she said she is

not prepared to start work on the history until the spring, she hoped council

will apply for the grant now so that it can be approved by the spring. She expects it will take two years before the book is completed. Nangle told council that

she would appreciate receiving information from anybody regarding the township's history or suggestions on people to interview.

U.C.W. anniversary

by Barbara Trocewicz

A 25th anniversary is cause for celebration. In the year 1962 women of the United Church of Canada came together under one name, United Church Women or UCW. On Wednesday, October 14 in the United Church in Haliburton over 50 women from Area 6 and from Lindsay Presbyterian celebrated this event.

This was the Fall Rally and the day included a celebration for Life, celebration with prayer, celebration with music, and celebration with Holy Communion.

Each Church told of one special meeting or event of the past year.

All Churches from area 6 were represented. These include Gooderham, Haliburton, Ingoldsby, Lochlin, Maple Lake, Minden, Tory Hill, Wilberforce and Carnarvon.

Lindsay Presbyterian officers brought greetings and reports from the executive and Committee members.

Soloist was Mrs. Chris Johnson. She sang the music of Amy Grant and Joni.

A skit titled 'The End of Life's Road' was directed by Doris Wilkinson presenting a new cast for this performance "The Famous UCW Players".

The Holy Communion was celebrated by the Rev. J. Crighton.

Chairperson Evelyn Coleman had put together a well planned day and all area 6 churches enthusiastically provided for their portion of the program.

The spirit of this day may be summed up in the grace we sang before lunch. "O, the Lord is good to me And so I thank the Lord for giving me the things I need, the sun and rain and the apple seed. The Lord is good to me."

Has it really been a whole year?

Canada, your bonds are here.

Canada Savings Bonds go on sale October 26th.

The rate of return for the first year is 9%.

An individual may purchase up to a limit of \$20,000

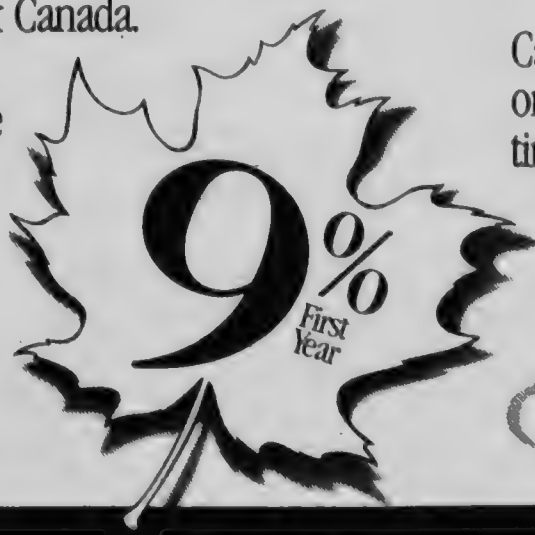

Canada Savings Bonds are a safe, secure investment guaranteed by the Government of Canada.

Your bonds are cashable at any time.

Buy your bonds through banks, trust companies, investment dealers, credit unions or through the Payroll Savings Plan at work.

The 1980 (Series 35) bonds mature this year and will earn no further interest past November 1, 1987. Series 1-34, issued before 1980 have already matured, so check your old bonds before you reinvest in the new issue.

Canada Savings Bonds are only on sale once a year, and are available for a limited time, so buy yours today.

Rent guidelines

by Doreen Hawman

If you rent your accommodation you will be interested in knowing that the new rent review guidelines released by the Ministry of Housing shows a decrease when compared with 1987.

In 1987 the guideline was set at 5.2 per cent and stays in effect until December 31, 1987. Starting January 1st 1988 the new guideline of 4.7 per cent takes effect and remains until December 1988.

The rent review guideline is simply that - a guideline, an amount by which a landlord can increase the maximum rent for a unit during the year without approval from the Ministry of Housing.

A tenant does not have to accept a rent increase at or below the guideline and may challenge an increase by applying to rent review to dispute the increase on

certain grounds.

Ninety days written notice of any increase must be given and can only be raised once in each 12-month period, even when a new tenant moves in. For further information or to receive a brochure outlining the guideline, contact the Haliburton County Information Centre located in the Drag River Municipal Building, Maple Ave., Haliburton, open Monday - Friday 10:00 a.m. - 4:00 p.m. or call 457-2733.

For residents of Minden area, our centre situated in the Municipal Building, Milne St. is open every Tuesday 10:00 a.m. - 4:00 p.m. or call 286-4100.

By becoming a volunteer you will contribute to the betterment of your community. Contact your nearest information centre to register.

Figure skaters at skating school

A number of skaters from the Haliburton Figure Skating Club successfully participated in the off-season skating school held recently in Orillia. The participants were tested October 10 and the following skaters passed:

- Jennifer Turner: Dutch Waltz and Canasta
- Andrea Barry: Prelimin-

ary Figure

- Stephanie Sales: Dutch Waltz (passed during the summer) and Canasta

- Jammie Ogle: Dutch Waltz

- Tanya Easton: Senior Bronze Freeskate, American Dance, Rocker Dance

- Sonja Flugel: First Figure

National Crime Prevention Week

November 1 - 7 marks the fifth annual National Crime Prevention Week in Canada.

Initiated in 1983 by the Solicitor General of Canada and the Canadians for Crime Prevention, the week encourages all Canadians to explore crime prevention and how they can play a role. It has since become a co-operative venture with participation from sectors such as provincial governments, police forces, schools, libraries, businesses, volunteers, and the media.

Year-round crime prevention education and practices have been focussed on various groups in our society, including senior citizens. Efforts for seniors are geared at dispelling the fear as well as the chance of becoming a victim of crime. For many seniors, fear for personal safety seems to have less to do with statistical risk of victimization than with perceived vulnerability.

A national survey, conducted by the Solicitor General of Canada in 1984, found that there are two major factors which account for increased fear of crime (specifically, attack with loss of property), and a general sense of social and physical vulnerability.

For seniors, learning how to protect themselves from victimization goes a long way in helping them feel secure and comfortable in and about their own communities. Government, police, and community groups have responded to calls from seniors requesting such preventive education.

For instance, the Govern-

ment of Ontario's Office of Senior Citizen's Affairs has developed a policy commitment to provide a province-wide information service whereby seniors can call in with a request for any needed information. Crime prevention materials are one of many educational tools that the Office provides.

Many community groups, often with the help of the local police force, have instigated their own STEP program (Seniors Taking Extra Precautions). Initiated in Brampton in 1984, its goals are: to increase the sense of security among seniors, to decrease their chances of being victimized by expanding their knowledge on how to protect themselves from personal injury, property loss and vandalism, and to assist them in increasing the physical security and safety of their homes.

Seniors have responded enthusiastically to the seminars, finding their directions reassuring and effective. And as Gael Miles of the Brampton program puts it, "The main objective is to make them feel more comfortable in their surroundings."

That's the goal of the Sault Ste. Marie police force as well. Sgt. Frank Klein accomplishes this by showing a slide presentation to the city's seniors. Entitled "Outsmarting Crime: An Older Person's Guide to Safer Living", the presentation was developed out of a need to do more for the security of seniors.

The content includes how to secure the home, how to feel safe on the street, and how to avoid being conned. "They (seniors) are generally

quite trusting", Klein states, "and we have to tell them not to be so trusting."

What it takes is a positive outlook on protecting oneself from crime, and pooling the resources of the community and local police to prevent crime. That's what National Crime Prevention Week is all about - drawing attention to the numerous ways in which we can all help to prevent crime. Every activity makes its own important contribution.

With such involvement, we can all enjoy safe and caring communities.

In support of National Crime Prevention Week, the Minden BIA will be distributing posters to all area businesses. It is hoped this

effort will be helpful in bringing the need for the co-operation of the entire community to everyone's attention. A number of pamphlets will also be distributed at key locations.

One-man show opens Minden Women's Institute

by Elene J. Freer

Denis Cliff will be at the Rails' End Gallery from 7 to 8:30 p.m. on Saturday, October 24th, to launch the opening of his one-man show, "New Directions". Denis, who resides in Toronto, is an active and well-known friend of Haliburton's artistic community. He has been a teacher with Sir Sandford Fleming College and is a regular contributor to the Gallery's art auction and faculty show. Denis has won many awards and distinctions for his acrylic paintings which use a complex system of colour juxtapositions to create a sensual, romantic and contemplative image. He believes that the viewer should "spend some time with the painting ... to allow

the colour sensations to wash over the mind, like waves over a body on a beach, by-passing the intellect in favour of the heart and spirit."

In the Waiting Room, are weavings by Sandra Brownlee-Ramsdale. Inspiration for her large and subtly coloured floral images can be traced back to the late 1960's and early 1970's when she used to walk by painter Aileen Meagher's house on her way to art school in Halifax. Each day, Meagher would place a bouquet of flowers in her bay window. Sandra remembers, "It was a pleasure to look for each bouquet in the window as I

passed by everyday ... the profusion of flowers and greenery with their array of colour and pattern that provided me, and many others, with great delight." This group of weavings represents Sandra's personal and exuberant interpretation of garden plants.

This Saturday, the Legion Hall will be swinging to the tunes of Dash Dip Rock. This popular band has a wide repertoire of contemporary music as well as those golden oldies of the past. So put on your dancing shoes for an evening of fun. Tickets are \$8 and may be purchased at the Rails' End Gallery and at the door.

On October 21 at 2 p.m. Mrs. C. Lacey, President, chaired the monthly meeting of Minden Women's Institute at the Library Cultural Centre. After O Canada, Opening Ode and Mary Stewart Collect, sixteen members and 2 guests were welcomed and also new member Mrs. L. Coburn, all replying to Roll Call of something we buy that our grandmothers made. Mrs. W. Moore reported sending 15 cards since the last meeting and collections for Card Fund and Pennies for Friendship were taken.

Mrs. Lyman Cox then presented the surprised Mrs. Arnold Coulter with a Certificate of Honour in appreciation of her work over the years.

Maud Coulter, convenor of Family and Consumer Affairs, then read, "How will you know if I don't tell

you". This article dealt with each of us showing appreciation, praise or consideration which we so often forget to do. She concluded with a fitting quotation from Katherine Hepburn. Later she also read FWIO Poem on their 90th anniversary at North Bay earlier this year, written by Jean Sills of Roslin, Ontario Provincial Board Director. This was given to us by Jean Marsh. Members will provide and serve lunch at Hyland Crest

October 22nd and going are Maud Coulter, Doris McCall, Florence Schlosser and Jeanne Sears. We are going to request a Canadian Flag for this Common Room from our Member of Parliament. Following the adjournment all enjoyed the delicious lunch and cup of tea served by the committee. Next meeting will be November 18 at the Common Room at 2 with all ladies welcome.

Jeanne Sears, P.R.O.

around the county town

by Jeanne Sears. Call 286-1538

Congratulations to Mr. and Mrs. Alan Northey (nee Penny Bird) who were married last Saturday in Haliburton. The happy couple will take up residence in Sarnia.

Club 35 euchre winners at Club 35 on Monday include - door prize - Hal Burton, most lone hands - Len Trodd, high lady - Mary Schad, high man - Murray Daniels and others - Jean Harper, George Alsop and Jean Pennick.

Club 35 celebrated a pot luck supper on October 16 which was very well attended and enjoyed by all the participants. Euchre followed the dinner and the winners were: door prize - Velda Harrison, most lone hands - Murray Daniels, high lady - Mary Stevenson, high man - Jack Gregory and others - Mary Stevenson, Melissa Hampson and Lou Pennick. The dinner was preceded by a presentation to Murray and Olive Daniels to celebrate their upcoming 40th wedding anniversary. The heartiest good wishes to Murray and Olive was expressed by all present.

The Kinsmen Club of Minden will hold their annual Hunters Ball November 14 at the Stanhope Community Centre. Prizes will be awarded for the biggest deer bagged during the season. Dance begins at 8:30 p.m.

The Library Committee will meet at the Minden Library on Wednesday, October 28 at 7:30 p.m.

This past week Yvonne Guida went to Toronto to attend the Canadian Film Premiere of the movie Dancers, starring the incomparable Mikhail Baryshnikov and Canadian Ballerina Alessandra Ferri, who makes her film debut in this movie, followed by a Gala Post Reception given by owner David L. Dennis at the Park Plaza Hotel. Baryshnikov, who has to be the world's greatest living male dancer and is the Artistic Director of the American Ballet Theatre, gives a stunning performance and Miss Ferri also gives an excellent portrayal of the young ballerina in the film which takes place in Italy and is based on the filming of the Ballet, Giselle. It is a wonderful film and is highly recommended. The reception following the movie had Stars of the National Ballet of Canada in attendance, among the huge throng of guests who enthusiastically enjoyed the beautiful evening. (Miss Ferri was on hand for the

film). The following day Yvonne attended the movie Best Seller, starring James Woods. He gives a terrific performance and it is a great film, but is not for the faint hearted.

Peg Davis of Peterborough has been visiting with her daughter Helen Lee.

Mrs. Jane Potter of St. Thomas was a guest of Vivian Kernohan for a few days last week.

We are pleased to report that Charlene Chisholm (McIntosh) is making good progress after an accident at Orillia.

All good wishes go to these people who are not so well, Evelyn Gibson, Gladys Wruth, Alice Sedgwick, Jim Hamilton, Sheila Graham, Florence Dollo, Garth Gammon, Chub Stevenson and Don Mintz.

Pearl and Arnold Cowen have their grandsons Trevor and Alan Clement of Scarborough staying with them.

Weekend guests with Bob Hughes were Dave and Beth Titus and family of Orillia.

Winners at the Tuesday night Euchre games at the Gelert Centre on October 20 were lone hands - Mervin Gilbert and also Joyce Schellenberg, Ruby Cartwright, Norm Harrison Sr. and Orval Francis. Next games there will be November 3.

Winners at the St. Paul's Anglican Church euchre party on October 22 were high lady - Vera Ward, high man - Verna McDonald, low lady - Mitzi Alzner, low man - Bob Robertson and lone hands - Ida Holmes.

Recently Mr. and Mrs. Fred Hewitt and family spent a weekend with his mother Joyce Hewitt.

Sincere sympathy goes to the family and friends of the late Eleanor Warren whose funeral was since last week.

This is the weekend when we get that hour's sleep back we lost in the spring, as the "Time falls back", don't forget to set your timepieces.

Minden Agricultural Society meeting will be on Tuesday, November 3 at 7:30 at the home of Mary Jane Irwin on South Lake Road.

Adult badminton starts Monday, November 2nd at Archie Stouffer Public School gym at 7. Call 286-2301. Hallowe'en Bingo at the Minden Recreation Centre October 27 at 7:30. Turkey supper at St. Paul's Anglican Parish Hall November 4 from 5 - 7. Hallowe'en for children at Stanhope Centre October 31st from 7 - 9. Call 489-2379.

Something I wonder about, how is it that Pension Cheques for Seniors now come later in the month; in the spring of this year they sometimes were 4 - 5 days earlier and some people make special trips into town needlessly.

The Green Light

The search for truth
The search for right
How will we know
Our guiding light?
In lust for life
And all it brings
Acceptance in too little things,
A lifetime sometimes we devour
For one small pointless fleeting hour.
If only from the muck and mire
We'd raise our heads, to but aspire
And see the clear, the emerald light
That gleams triumphant over night.
Forget the hate and bigotry,
Release chained beauty, set her free
And strive to make His will be done.
To love all men beneath the sun,
Then God in all infinity
Would bless poor mortals such as we.

Off Highway 118 at Brady Lake

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

Q: Why do squirrels spend so much time in trees?

A: To get away from the nuts on the ground.

Q: Where does satisfaction come from?

A: A satisfactory.

Q: Why is a book like a King?

A: They both have pages.

Q: What season is it when you're on a trampoline?

A: Spring time.

Q: What would happen very soon if you swallowed your cereal spoon?

A: You wouldn't be able to stir.

Q: Fun all day, empty at rest, both of us, are very hard pressed.

A: A pair of shoes.

Q: Have you the slightest notion what bus crossed the ocean?

A: Colom-bus.

News from Staannworth Court

Along the line of smoky hills

The crimson forest stands.

A quote so meaningful to us in Minden who are blessed with such beautiful scenery.

Hi folks. We do hope you enjoyed your summer, as we did being visited and visiting; also the beautiful Thanksgiving weekend. We have so much to be thankful for.

Early in summer our annual barbecue was indeed a success. Many thanks go to Schneiders meats and especially Don Blakely for their contribution to our barbecue. Also our appreciation to Shirley Davis and her group for their music.

Our Wednesday evening barbecues this summer were most successful. Our thanks goes to our barbecue chef Len Trodd.

We are glad to see Janet Perry back from surgery at hospital in Peterborough. To Frank Ferris who took therapy at Hospital in Toronto; to George Inch who is present in Minden Hospital - we wish them the best of health and also to Eleanor Pye and Henry and Vera Howe.

Birthday wishes since June go out to Emily Poole, Janet Perry, Melissa Hampson, Harry Cowan, Jean Cowan, Len Trodd, George Inch, Mary Stata and Albert Stata. May you enjoy many more birthdays.

.....
Melissa Hampson and Emily Poole holidayed in Windsor among friends and relatives. There they saw the beautiful Peace Fountain in the midst of the Detroit River dedicated in memory of the great Trade Unionist, Charles E. Brooks. The huge freighter boats plied along this river en route to the Great Lakes and points all around the world.

While visiting her son Gary and family in Inglewood, Holly Cooper attended the Heritage Festival held at nearby Hockley Village. This was to celebrate the 150th year of its incorporation as a village in 1837. Of special interest to Holly was the Craft Show where she entered a few of her stained-glass items. They were well received for she has been asked to return and enter more items. This was on Thanksgiving weekend. We congratulate you Holly for your display being worthy of this recognition. We are proud of you and your accomplishments in this craft.

(May I explain that this is a very quaint but charming village promoting its country tradition and culture).

During the summer Jean and Harry Cowan enjoyed a tour of many picturesque places in British Columbia. Jean very kindly and in an interesting way explained a few of their experiences, namely: - the bus trip up on the huge glacier of the Athabasca Valley. All got out and took pictures on this glacier 7000 ft. above sea level and on ice and snow 1100 ft. thick. They viewed by cable car the awe-inspiring Fraser Canyon. There all were escorted down to "Hell" through the "Hell's Gate". (These were applied names). At Cash Creek, they picked up samples of the lovely jade stone. At Hope, they saw the place where the huge earthquake took place; where a whole mountain turned on its side, destroying everything in its terrible slide. They were so lucky and happy to observe the beautiful Butchart Gardens. These were originally the idea of Mrs. Butchart. Her husband Robert, from Owen Sound, had exhausted the limestone from the

quarry he had used to manufacture Portland Cement, and she requested tons of soil and little by little the abandoned quarry became the beautiful 'sunkn' gardens. Each year 1 million plants of 700 varieties are used. These beautiful gardens are lighted from May to October. Many ornamental birds make their homes there. This luxurious showplace stretches for 50 acres on beautiful Vancouver Island. (I thank Jean and Harry for sharing their observations with us.)

Our friend, Jake, from Newfoundland, bought a car and, after shopping in Minden, went back to his car to find he had locked his keys in it. He phoned the garage and said - "Sir, please come and open my car for me." Manager - "Sir, it will be 1 2 hour yet." Jake - "Well, hurry, it's starting to rain the the top's down."

Our fall and winter sessions are off to a good start. We began by having our usual pot luck supper under the willing convenors Janet and Melissa. Bill Payne and his group favoured us with their music. We thank them. We tried our best to tell Mary and Albert Stata that we wish them well in their new home and may the gift presented by Len Trodd, on our behalf, be a reminder of our affection for them. Mary prepared many birthday cakes and Albert, chaired many of our meetings. We will miss you.

Mary and Albert. (Our euchre and dart games have begun.)

Our election of officers took place Thursday of this week and we are pleased to have appointed Holly Cooper - President, Jean Marsh - Vice President, Secretary - Treasurer Corinne Arsenault with Mark Vasey and Len Trodd volunteering in the advisory capacity. Janet Perry and Melissa Hampson will continue as Food Convenors which they have done so capably and willingly. Congratulations to our new executive and new social club.

So it is time of year when many of our Seniors go south for the winter. Did you ever question why do they go when we have lots of it here in Minden?

Let us keep in mind - The County Home Support Services invites all to attend a meeting at PineStone Inn October 30, 12 noon dinner, \$6.95 per person. Meeting 1:15 p.m. Speaker - Marjorie Mann and a group of volunteers committed to promoting humour. They say "Laughing Does Matter". Phone 457-2941 by October 24 for dinner reservations.

We wish to extend sincere thanks to Lilian Davidson for all the hard work she put in as president of our social club.

A true saying - Children are likely to live up to what you believe of them.

See you later. M.H.

branch 636

by Frank Dunsford

The executive of Branch 636 would like to thank each and every member who attended our Initiation Night Tuesday, October 6. The Colour Party dignitaries for conducting the Initiation so professionally, Gordon Kennedy for his great piano playing, a special award thank you to all the ladies who prepared and served the pot luck dinner, the table looked very appetizing. A dinner for two was donated from Hart Lodge. This was raffled off, the winner being Mr. and Mrs. Jack Stacey.

The results of our Charter Night have not been completed or finally tabulated, hopefully by our next general meeting which will be held at the Fireside Restaurant on Hwy. 35, Tuesday, November 3 at 7:30 p.m.

Poppy Day is quickly approaching, we will need help for distribution to stores and our local people boxes.

One of our executive will

be visiting Archie Stouffer School for Poppy Day explanation and what it means.

Sunday, November 8 there will be a service at the Library parking lot and a social gathering after at the Community Centre. Time - 2 p.m. at the Cairn.

"Suggestions for our new Legion very welcome."

"Criticism not really necessary."

Applications for membership available at general meetings.

senior league

by Pearl Lyle

Dear Readers. Another dark dreary day but we are glad to see the rain.

The service in the chapel Sunday evening was taken by Rev. Burgess and Mr. and Mrs. Thompson. On Tuesday morning Father George Elliott of Minden Anglican Church took the service. Our movies Monday night were "Lost in the Woods" and "Tuckers the Big Seal".

Preparations are being made for another Halloween Dress-Up on October 30th.

We are having another quilt quilted, so some ladies here are very busy. My daughter Anna Gordon was

here to help one day.

Our Thursday afternoon luncheon was brought in by the Ladies Lodge of Minden. It was enjoyed very much.

Lola Prentice is still in hospital, sorry to say. We hope she will be well soon.

Doris took a bus load of folks to Haliburton for a ride and see a moose that had been shot.

Nobody has brought me any news, so this is it for this week.

Maybe there will be more for next week.

There are three ways to lose in the stock market - getting in, staying in and getting out.

CARD OF THANKS

A grateful thank you to all our friends for their cards and notes during our recent bereavement.

Blanche Odell & Family

Sincere thanks to the following who contributed to this year's Haliburton County Music Awards: Mike Vuksic, Bill Kulas, Cordell Interiors, Murray Fearrey, Gordon A. Monk Funeral Home, John Stainton and Pat and Don Mintz. 10D

Words cannot explain the sincere appreciation to all our family and friends for all their unending support through the tragic loss of our son, Jeffrey Buist. The hot casseroles, the groceries, the beautiful flowers, the generous donations and the wonderful cards and poems that helped others through similar situations have

CARD OF THANKS

touched us deeply. A special thanks to June Devolin for being there when we thought we couldn't handle it and Rachel Fearrey for her continuous love and kindness to Jeff's wonderful friends from Carnarvon may God bless each and every one of you. Your love and generosity will never be forgotten. Thank you.

Jim and Barbara Fryer & Family

IN MEMORIAM

BUNKER: Olive Audrey - in memory of our dear Mother who left us nine years ago today, October 28, 1978. Time has passed, life goes on, but we will always remember we had a Mother like you, special and kind. Love always, sons and daughters, Jack, Harry, Faye, Caroline, Joyce, Joanne and their families.

Save on Heating Bills

Make Storm Windows tight
Run your hands along the seams of your storm windows. If air is coming in between the storm window frame, seal the joint with caulking tape. Drafts between the storm window sashes can be sealed with transparent weather-stripping tape.

Renew worn Weather Stripping
Plastic and felt weather stripping eventually become so worn they don't make an airtight seal. Replace with new weatherstripping.

Build Interior Window Shutters
One of the best ways to cut heat loss through windows, especially at night, is to cover them with removable insulated shutters. The most important windows to cover are those on the north side. You can make a shutter by sandwiching a sheet of one to two inch plastic foam between two thin sheets of hardboard. A couple of butterfly catches on the window frame will hold the shutter.

Use a Protected Outside Door
If you have an outside door that gets some protection from the wind - a door into an attached garage, breezeway or porch - that's the one to use in winter. Each time you open an unprotected door, huge quantities of cold enter the house. It's also a good idea to seal off unused doors with insulation - especially if they are thin panel doors that let cold in even with a storm door. An easy way to insulate such a door is to fit a sheet of plastic foam between it and the storm door.

Keep the Kitchen Exhaust Fan off
Each time an exhaust fan is turned on, it pulls a lot of heated air out of the house. It also creates a slight vacuum inside the house, and this pulls cold air in from the outside. Unless you have a high humidity problem in the house, don't use the bathroom exhaust either. Just open the door and let moist air be absorbed by house air.

Adjust the Furnace for Continuous Air Circulation
This simple adjustment called CAC to let the furnace blower run constantly saves fuel and distributes the heat more evenly and does, of course, add to your electric bill. But the cost is more than offset by the saving in fuel, which can be as much as 15 percent.

Cut Basement Heat Loss
If your heating equipment is in the basement, you should weatherstrip basement windows and staple plastic sheeting to the window frames to serve as a storm sash. Weather-strip any door leading to the outside and cover it with rigid foam insulation. Also insulate the "header" the strip of heavy timber that rests on top of the foundation wall.

Don't use the Fireplace in very cold weather
Unless you have a glass fire screen or the fireplace is in a room that can be closed off, using a fireplace in very cold weather can draw more heated air out of the house that the fire produces. Green or wet wood won't give you much heat, and produces a lot of creosote in the chimney or stove pipe, which can result in a dangerous chimney fire.
